Old Business

Review Standards of Conduct for Officers and Employees

Attorney Beth Westfall has reviewed our old Standards of Conduct for Officers and Employees with a suggested one from NYS Comptroller's office. She feels there is a lot in the new one that does not apply to a smaller town and would like to make some tweaks and have a revision next month.

ARPA Fund

Tot Finder Decals for Fire Department

The Planning Board in the Village of Unadilla will be sending out a survey to homeowners and landlords to get a count of apartments and the amount of people living in each place to add more information to the database of the fire department. This information will be strictly confidential to the fire department only. This is to help aid the firemen responding to a house fire. They have asked the Town if they would be willing to contribute the cost of Tot Finder Stickers that will be given out at the school and handed out during carnival of sales. Again, this will help locate children's bedrooms in case of an emergency or fire.

Councilman Allen Anderson made the motion to use ARPA funds to purchase 2000 Tot Finder Stickers for \$1,180.00. The motion was seconded by Councilman Ronald Reed and unanimously carried. Roll Call; 5 Ayes, 0 Noes.

New Business

Schedule Public Hearing for CDBG Grant

The Board discussed having THOMA submitting an application to apply for a CDBG Grant for the second time. Since the last one went well, all was in favor of doing it again.

The Village will be splitting the cost of the application fee.

Supervisor George DeNys made the motion to schedule a Public Hearing for the CDBG Grant. The motion was seconded by Councilwoman Jessica Grow and unanimously carried. Roll Call; 5 Ayes, 0 Noes.

Open Stone Bids

Bids for Stone were submitted by Cobleskill Stone Products, Inc of Cobleskill, NY, Heidelberg Materials NY LLC of Deansboro, NY and Carver Companies of Coeymans, NY. Carver came in with the lowest bid on all stone products except dry rip rap that they did not bid on.

Supervisor George DeNys made the motion to award the stone bid to Carver and allowing Rodney to purchase dry rip rap as needed.
