WINTER HIGHWAY DEPARTMENT PROCEDURES SEASONAL ROADS

It is the Highway Department of the Town of Unadilla's goal to keep the Town Highways in a passable condition during the winter months. Any obstructions located in the Town of Unadilla right of way may hinder the ability of snow removal and storage. In an attempt to clear roads, the drivers try to be careful not to damage any obstruction in the right of way. However, that is not always possible. Any damage to mail boxes and fences when the Highway Department is maintaining the roads during the winter will not be repaired or replaced by the Town. Therefore, the repairs/replacement will be at the owner's expense.

Vehicles parked on the Town right of way are also a hindrance when clearing winter road conditions. Attempts will be made to contact the owners in order that the vehicles can be removed, however, if the Town Highway Department is unable to reach the owner, the vehicle(s) will be towed at the owners expense.
